NOW, THEREFORE, BE IT RESOLVED BY THE STEUBEN COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Public Hearing held by the Agency on Wednesday, June 19, 2019, at Fremont Town Hall, 8217 Cream Hill Road, Arkport, New York 14807, at 2:00 p.m. and 6:00 p.m., local time, concerning the Project and the Financial Assistance was duly held in accordance with the Act, including, but not limited to, the giving of at least ten (10) days published notice of the Public Hearing (such notice also provided to the chief executive officer of each affected tax jurisdiction), affording interested parties a reasonable opportunity, both orally and in writing, to present their views with respect to the Project.

Section 2. The Agency ratifies the Siting Board's May 6, 2020 Order approving the Amended Certificate for the Phase I Project and, in particular, the Siting Board's determination that the Project, as modified, will not result in a significant adverse increase to environmental impacts as compared to the Project originally assessed by the Siting Board in the Certificate. The Agency further ratifies the requirement that the Company comply with the terms, conditions, limitations, and modifications of the Project as set forth by both the Certificate and the above-referenced May 6, 2020 Order, including but not limited to, any and all measures required by the Siting Board to mitigate the Project's potential adverse environmental impacts to the maximum extent practicable.

Section 3. The Agency is hereby authorized to provide to the Company financial assistance, in one or more phases, in the form of (a) a sales and use tax exemption for purchases and rentals related to the acquisition, construction, reconstruction, renovation and equipping of

the Project, (b) a partial real property tax abatement structured through the Tax Agreement, and (c) a mortgage recording tax exemption as permitted by State law (the "Financial Assistance").

Section 4. Based upon the representation and warranties made by the Company in the Application, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project that would otherwise be subject to New York State and local sales and use tax in an amount up to approximately **\$100,000,000**, which result in New York State and local sales and use tax exemption benefits ("Sales and Use Tax Exemption Benefits") not to exceed **\$8,000,000**. The Agency agrees to consider any requests by the Company for increase to the amount of Sales and Use Tax Exemption Benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services, and, to the extent required, the Agency authorizes and conducts any supplemental public hearing(s).

Section 5. Pursuant to Section 875(3) of the Act, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any Sales and Use Tax Exemption Benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the Sales and Use Tax Exemption Benefits; (ii) the Sales and Use Tax Exemption Benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the Sales and Use Tax Exemption Benefits are for property or services not authorized by the Agency as part of the Project; (iv) the Company has made a material false statement on its application for financial assistance; (v) the Sales and Use Tax Exemption Benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project; and/or (vi) the Company obtains mortgage recording tax benefits and/or real property tax abatements and fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project (collectively, items (i) through (vi) are hereby defined as a "Recapture Event").

As a condition precedent of receiving Sales and Use Tax Exemption Benefits and real property tax abatement benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) if a Recapture Event determination is made by the Agency, cooperate with the Agency in its efforts to recover or recapture any Sales and Use Tax Exemption Benefits, mortgage recording tax benefits and/or real property tax abatements abatement benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands, if and as so required to be paid over as determined by the Agency.

Section 6. Subject to the Company executing the Project Agreement and the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the

Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project in one or more phases and hereby appoints the Company as the true and lawful agent of the Agency: (i) to acquire, reconstruct, renovate and equip the Project in one or more phases; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project in one or more phases, all with the same powers and the same validity that the Agency could do if acting in its own behalf; *provided, however*, the Project Agreement with respect to the (i) Phase I Project and the Phase II Project shall expire on **December 31, 2022 and September 30, 2024, respectively** (unless extended for good cause by the Executive Director of the Agency) if the Lease Agreement, the Leaseback Agreement and the Tax Agreement contemplated have not been executed and delivered.

**Section 7.** The Chairman, Vice Chairman and/or the Executive Director of the Agency are hereby authorized, on behalf of the Agency, to negotiate and execute (A) the Project Agreement, pursuant to which the Agency will appoint the Company as its agent to undertake the Project in one or more phases, (B) the Lease Agreement, pursuant to which the Company leases the Project to the Agency, (C) the related Leaseback Agreement, pursuant to which the Agency leases its interest in the Project back to the Company, and (D) the Tax Agreement (the terms of which shall provide a full exemption from ad valorem taxation with respect to the Facility, provided, however, the Company must satisfy certain conditions for such exemption as set forth in the Tax Agreement); provided (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the Tax Agreement are consistent with the Agency's Uniform Tax Exemption Policy or the procedures for deviation have been complied with.

**Section 8.** The Chairman, Vice Chairman and/or Executive Director of the Agency are hereby authorized, on behalf of the Agency, to execute, deliver and record any mortgage, assignment of leases and rents, security agreement, UCC-1 Financing Statements and all documents reasonably contemplated by these resolutions or required by any lender/financial institution identified by the Company (the "Lender") up to a maximum principal amount necessary to undertake the Project in one or more phases, acquire the Facility and/or finance or re-finance equipment and other personal property and related transactional costs (hereinafter, with the Lease Agreement, Leaseback Agreement and Tax Agreement, collectively called the "Agency Documents"); and, where appropriate, the Secretary or Assistant Secretary of the Agency is hereby authorized to affix the seal of the Agency to the Agency Documents and to attest the same, all with such changes, variations, omissions and insertions as the Chairman, Vice Chairman and/or Executive Director of the Agency shall approve, the execution thereof by the Chairman, Vice Chairman and/or Executive Director of the Agency to constitute conclusive evidence of such approval; provided in all events recourse against the Agency is limited to the Agency's interest in the Project.

Section 9. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 10. These Resolutions amend, restate and replace in its entirety the Phase I Resolution.
