NOW, THEREFORE, BE IT RESOLVED BY THE STEUBEN COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Company has presented an Application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's Application, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of undertaking the Project; and

(C) The Agency has the authority to take the actions contemplated herein under the Act; and

(D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Steuben County, New York, and otherwise furthering the purposes of the Agency as set forth in the Act; and

(E) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

(F) Upon a thorough review and due consideration by the Agency of the SEAF for the Project, the Agency makes the following findings:

1. The Agency has considered the Project, including identifying the reasonable impacts associated with it, and comparing the same to the parameters and criteria set forth in 6 N.Y.C.R.R. §§ 617.1 and 617.3 of the SEQRA regulations.

2. The Agency has classified the Project as an Unlisted Action pursuant to 6 N.Y.C.R.R. § 617.2(al) of the SEQRA regulations.

3. The Agency has considered the significance of the potential adverse environmental impacts associated with the Project by: (i) carefully reviewing and examining the responses to the SEAF, including the information in the Parts 1 and 2 of the SEAF, together with examining other available supporting information and documents concerning the Project; (ii) carefully reviewing impacts and potential impacts from the Project to land, stormwater and groundwater, wetlands, other water resources, and analyzing any impacts associated with agricultural district designation(s), as well as impacts and potential impacts associated with or to historic, archaeological and other recognized and/or protected resources, and impacts to threatened or endangered plant and animal species, impacts to transportation, including such impacts associated with traffic and considered impacts to community character and cumulative impacts if any, as well as impacts from sites where remedial activities were previously conducted, and considering each of the other potential impacts as required by applicable regulation; (iii) carefully considering the criteria set forth in 6 N.Y.C.R.R. § 617.7(c) in light of such potential impacts; and (iv) thoroughly analyzing the identified areas of relevant environmental concern.

Section 2. Based upon representations and warranties made by the Company in the Application, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project, that would otherwise be subject to State and local sales and use tax in an amount up to **\$400,000.00**, which result in State and local sales and use tax exemption benefits ("Sales and Use Tax Exemption Benefits") not to exceed **\$32,000.00**. The Agency agrees to consider any requests by the Company for increase to the amount of Sales and Use Tax Exemption Benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Section 3. Pursuant to Section 875(3) of the Act, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any Sales and Use Tax Exemption Benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the Sales and Use Tax Exemption Benefits; (ii) the Sales and Use Tax Exemption Benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the Sales and Use Tax Exemption Benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the Sales and Use Tax Exemption Benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving Sales and Use Tax Exemption Benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, shall (i) cooperate with the Agency in its efforts to recover or recapture any Sales and Use Tax Exemption Benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 4. Subject to the Company executing the Project Agreement and the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency: (i) to acquire, reconstruct, renovate and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the Company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; *provided, however*, the Project Agreement shall expire on **December 31, 2025** (unless extended for good cause by the Executive Director of the Agency) if the Lease Agreement, the Leaseback Agreement and the Tax Agreement contemplated have not been executed and delivered

Section 5. The Chairman, Vice Chairman and/or the Executive Director of the Agency are hereby authorized, on behalf of the Agency, to negotiate and execute the Project Agreement, pursuant to which the Agency will appoint the Company as its agent to undertake the Project.

Section 6. The Chairman, Vice Chairman and/or Executive Director of the Agency are hereby authorized, on behalf of the Agency, to execute, deliver and record any mortgage, assignment of leases and rents, security agreement, UCC-1 Financing Statements and all documents reasonably contemplated by these resolutions or required by any lender/financial institution identified by the Company (the "Lender") up to a maximum principal amount necessary to undertake the Project, acquire the Facility and/or finance or re-finance equipment and other personal property and related transactional costs (hereinafter, with the Lease Agreement, Leaseback Agreement and Tax Agreement, collectively called the "Agency Documents"); and, where appropriate, the Secretary or Assistant Secretary of the Agency is hereby authorized to affix the seal of the Agency to the Agency Documents and to attest the same, all with such changes, variations, omissions and insertions as the Chairman, Vice Chairman and/or Executive Director of the Agency shall approve, the execution thereof by the Chairman, Vice Chairman and/or Executive Director of the Agency to constitute conclusive evidence of such approval; provided in all events recourse against the Agency is limited to the Agency's interest in the Project.

Section 7. The Financial Assistance provided by the Agency to the Company shall not exceed \$100,000 and, therefore, a public hearing is not required to be held by the Agency.

Section 8. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 9. In the event that the Company does not close with the Agency on the proposed financial assistance within twelve (12) months of the date hereof, the Agency reserves the right to rescind and cancel this resolution and all approvals made hereunder or under any other Agency resolution or action.

Section 10. These Resolutions shall take effect immediately.
